

LIABILITY RELEASE FOR OUTREACH CENTER CHURCH SOZO MINISTRIES

I, (name) _____, acknowledge that team members from the Sozo Ministry of Outreach Center Church have voluntarily agreed to pray for me and with me. I understand that this session is not a professional counseling meeting and that none of the team members are licensed counselors. I understand that these team members are to the best of their ability, doing what they can to help me achieve more freedom in my life.

I understand that Outreach Center Church is a nonprofit Arkansas Corporation that makes no charge for its services. I further state that I have voluntarily sought assistance of my own initiative and that I am under no obligation to accept or reject any of the advice or help that I might receive from the team members of this ministry.

Our team members offer biblical spiritual services to anyone who desires them regardless of ability to pay. Although there is no charge for our services, all efforts to build this ministry and train our team members are paid directly from the donations of those receiving these services. Your contributions to this ministry are greatly appreciated because they support our further development. Please make donation payable to Outreach Center Church, place it in a church offering envelope, and indicate that it is for the "Sozo Ministry." Thank you!

I understand that if I receive ministry from the Sozo Ministry of Outreach Center Church, the team is committed to respect the disclosed information, but not to complete confidentiality. The information, as needed, may be shared with other leaders at Outreach Center Church so as to further your total healing process. This may include future meetings with spiritual mentors in the church to set appropriate boundaries for your personal and spiritual growth. Without mentioning names, details of your session may also be shared with others in the Sozo Ministry to aid in their training.

I further understand that Outreach Center Church Sozo Team members may be required by law to break confidentiality under certain circumstances. If in our opinion the Sozoee intends to take harmful or dangerous action against another person, or against himself/herself, we have a duty to warn: A) the person who is likely to suffer the result or harmful behavior, B) the person's family, C) the family of the Sozoee who intends to harm himself/herself. In cases of suspected child or elder abuse or neglect, we also have a responsibility to notify the appropriate authorities of such allegations or suspicions.

I agree to hold Outreach Center Church and its team members free from any and all liability, loss or damage of any kind that may arise as a result of assistance which I have received or from my involvement with Outreach Center Church.

I have read this disclaimer and release of liability and understand and agree with it and have executed it as my free and voluntary act.
